Note: Suggest aligning top of bullnose with top of backplash, and tiling down the side of the wall immediately next to the vanity.

Note: New outlet should be placed at the same height as the other outlet.

Note: Tub deck 64" drop at mid-point of windows.

Note: Refer to Tub spec for exact cut-out requirements. Bench should be build around tub frame to allow 12" tiles to be placed on bench using mostly full size tiles.

Note: Tile placement to minimize visibility of cuts
